SAEKRCT COLLEGIATE CLUB – TREK'6 (23 & 24 April 2016)

SAEKRCT Collegiate club hosted SAE TREK (Trekking to Pachamalai Hills) on 23 & 24 April 2016 successfully. The students from various colleges eagerly participated in SAE TREK and various resource persons from Industry and Institution joined the event enthusiastically. In the first day, the resource persons gave their valuable speech about SAE INDIA and Automobile Engineering in the morning session. In the afternoon session the students interacted with the resource persons to gather knowledge and awareness about automobile engineering and industry.

Next day, the crew moved towards Pachamalai Hills for trekking with students and resource persons by bus, where we visited various places like waterfalls, temple, etc. and learnt on the life style of the people at Pachamalai Hills. We returned to college in the evening and then wound up the SAETREK'16 with Valedictory function. In the valedictory function, our HOD Dr.V.Vijayan., received the award from resource person Mr.Kasirajan, Senior technical lead of Viston Technical service centre., for successfully hosting the event, SAETREK 16
